**P.C. :-**

1. Counsel appearing for the parties submit that a meeting of the Committee was held in furtherance to our order dated 10th March, 2008. The various departments were represented in the said meeting and Minutes of the said meeting have been placed on record. As it is a matter which would primarily fall in the domain of the policy decision, it will not be proper for the Court to examine the facts and nicities of such decision as none of them are violative of any law. Besides that, it appears that various suggestions have

been made which are required to be considered by the State Government and preferably they would be given effect to at the earliest. Counsel appearing for the respondents submit that they would consider the minutes of the meeting and take timely action so that in future no inconvenience is caused to the students taking examination.
